Twin Day	Hippie/Tye-Dye	Character Day	PJ Day	Wild Card Dress as anyday!

EVC Student Newspaper: [EVC News Issue 5](#) **NEW Last Week**

Hello EVC families and Guardians:

It appears that we will be having an answer soon for the waiver that Superintendent Lee Alva has applied for in order to enter Phase 3 instruction. The first hurdle was cleared with the County's approval. The State of California's approval will be the final hurdle for us to be able to open 4-5 days a week for students, so we can get as close to normal as possible this year. As soon as I know, you all will know and we will set a date for that change. The wonderful EV Cain staff and teacher leaders have already crafted a plan (months ago) for this eventuality this year; should we get the OK to open for daily in-person instruction.

**Mr. Johnson's Remind!:** I use an app service where you can ask me questions, message me directly, I can send out text reminders right to your phone. You don't need an app. Messages come right to your phone via text. Text the short code [@evcain20](https://www.textnow.com/shortcode/@evcain20) to the short number **81010** to sign up.

**IMPORTANT COVID PROCEDURE:** If your child or family household member has tested positive for COVID, **please call the office**. We appreciate emails to teachers but we really need that information to come directly to the office via email or phone call. Report this to our office so the ASUD Health Coordinator/ Nurse can make sure all timelines are followed.

### **EVC School Counselor's Corner:**

**Happy St. Patrick's Day!** Student conference week went well and was a great opportunity to communicate with families and support students. If you are not on Aeries, please contact us and we can help you get on so you can see your student's grade in real time. The end of quarter three is approaching on March 19th. This is just a progress report, but it is a good indicator of student progress. We are here if you have any questions. For social emotional health, we are continuing our resilience lessons. Next week, we will focus on the protective pattern of attacking and the resilience skill of nurturing yourself. Here is the lesson: [We are Resilient: March 15-19](#). As always, if you have any questions or concerns regarding your student's academic or personal progress, please do not hesitate to contact me at: [kwachs-worden@auburn.k12.ca.us](mailto:kwachs-worden@auburn.k12.ca.us) or 530-745-8837. Be well.

### **Student COVID 19 - Testing**

If you do not have medical insurance, PCOE does have testing sites available. Please click on the link below for detailed information regarding testing for all students [Student Testing flyer](#) [Student Testing flyer - Spanish](#)

**Aeries Parent Portal:** Parents, would you like to receive a weekly progress report from Aeries? Log into your parent portal, then click the drop-down menu in the top right corner under your email address. Click the parent notification preferences and select the day and time you would like your weekly email update to be delivered.

Thank you for your partnership, trust and support. We are ever-so grateful for your kids in our school!

Together CAIN Can!
