

E.V. Cain Parent Week Ahead (4/5/2021 - 4/9/2021)

[Revised Hybrid Schedule \(March 1\)](#)

[Revised Hybrid Schedule SPANISH](#)

April:

April 19th: Phase 4 EVC full day, reopen

April 26th State Testing Starts

*******Spring Break: 3/29 through 4/2*******

EVC Student Newspaper: [EVC News Issue 5](#)

Hello EVC families and Guardians:

I usually would wait to send this to you for the Friday before we would return from Spring Break. However, we have exciting news. EVC will be included in the "Phase 4 Reopening" along with AUSD Elementary schools on April 19th. We will still have a Cohort C. We will allow students to choose in-person or Cohort C as early as the week we come back from Break. And hopefully this will be the last COVID related shift this year in our education offering. The AUSD Board gave Superintendent Lee Alva the direction for EVC to open in Phase 4, five days a week, full days on April 19th. Guidance on middle school situations regarding COVID have drastically changed to allow this. These events all happened this week. We have some details to work out with our District Labor Partners, but this currently is the plan and direction given by the Board. This will effectively be "normal school" with masks, shields, hand hygiene, separate lunches for every grade, and all of the other on-campus mitigation we have worked to put in place. **We will return from Spring Break in our current Hybrid Model on April 5th and we will make the shift on Monday April 19th.**

Here again is the survey for Cohort C parent that you may have received yesterday. I have linked it here if you have not taken it yet.

Complaint Procedures: AUSD is asking that I make parents aware of the different types of complaints and its procedures. We welcome feedback and want experiences for our students and families to be correct and on point. Here are some resources to help you understand school/ district complaints. [English](#) [Spanish](#)

Mr. Johnson's "Remind!": I use an app service where you can **ask me questions, message me directly**, I can send out **text reminders** right to your phone. You don't need an app. Messages come right to your phone via text. Text the short code **@evcain20** to the short number **81010** to sign up.

IMPORTANT COVID PROCEDURE: If your child or family household member has tested positive for COVID, **please call the office**. We appreciate emails to teachers but we really need that information to come directly to the office via email or phone call. Report this to our office so the ASUD Health Coordinator/ Nurse can make sure all timelines are followed.

EVC School Counselor's Corner:

As many of you know, we have had several drug incidents in Placer County over the last several weeks. Last week, we had a Drug Awareness Week where we will cover drug use, addiction, vaping, fentanyl, and teen refusal skills. Here is the lesson for next week (you will need to make a Nearpod account to access some of the lessons): [Drug Awareness PD: March 22-26](#). Additionally, Placer County Sheriff's office put out a video for parents on the dangers of the fentanyl crisis. It can be found here: [PSA PCSO](#).

As always, if you have any questions or concerns regarding your student's academic or personal progress, please do not hesitate to contact me at: kwachs-warden@auburn.k12.ca.us or 530-745-8837. Be well.

Student COVID 19 - Testing

If you do not have medical insurance, PCOE does have testing sites available. Please click on the link below for detailed information regarding testing for all students [Student Testing flyer](#) [Student Testing flyer - Spanish](#)

Aeries Parent Portal: Parents, would you like to receive a weekly progress report from Aeries? Log into your parent portal, then click the drop-down menu in the top right corner under your email address. Click the parent notification preferences and select the day and time you would like your weekly email update to be delivered.

Thank you for your partnership, trust and support. We are ever-so grateful for your kids in our school!

Together CAIN Can!
